To: Kevin Brickhouse

RE: Clean out approximately 500 LF of ditch from Bragaw Street to Culvert under road.

- Traffic Control – close (1) lane
- Equipment: Trachoe w/ cleanout bucket; dump truck; skid steer w/ power rake; (2) trucks w/ tools
- Labor
- Material: (2) loads of topsoil (if needed); seed and fertilizer; 6,000 sf of ditch mating w/ pins
- Approximately (2) days

This is a close estimate , it may vary a little one way or the other. I think we may need to do more ditching to remove water from ditch @ culvert crossing. I will keep up per hour for equipment & labor as needed.
