Application for a Variance – Section 10.04B

Date: _____

To The Town of Chocowinity Board of Adjustments:

I, _____, hereby petition the Board of Adjustments for a Variance from the literal provisions of the Town of Chocowinity Zoning Ordinance because, under the interpretation given to me by the Zoning Administrator, I am prohibited from using the parcel of land described below:

I request a variance from the following provisions of the ordinance (cite Paragraph numbers):

If variance is requested for a limited time only, specify duration requested: _____

Factors relevant to the Issuance of a Variance:

The Board of Adjustments do not have unlimited discretion in deciding whether to grant a variance. Under the state enabling act, the Board is required to reach three conclusions as a prerequisite to the issuance of a variance:

- a) That there are practical difficulties or unnecessary hardships in the way of carrying out the strict letter of the ordinance,
- b) that the variance is in harmony with the general purposes and intent of the ordinance and preserves its spirit, and
- c) that in granting of the variance will be in general conformity to the town development plan and will not be injurious to the neighborhood or detrimental to the public.

Application No. _____

In the spaces provided below, indicate the facts that you intend to show and the arguments that you intend to make to convince the Board that it can properly reach these three required conclusions.

4) That granting the variance requested will not confer on the applicant any special privilege that is denied by this ordinance to other lands, structures or buildings in the same district;

c) The granting of the variance will be in general conformity with the town's plan of development and will not be injurious to the neighborhood, or otherwise detrimental to the public.
